## CAMP CHOSÔN MISSION STATEMENT

Camp Chosôn exists for the purpose of offering Korean-American youth opportunities to develop friendships, discover new skills, build respect for others and nature, and gain an appreciation for their cultural heritage.

To do this, the objectives of Camp Chosôn are:

*To provide a fun, caring environment which will foster lifelong friendships among the participants.*

*To encourage parent participation, so that the lessons learned at camp can be reinforced in the family.*

*To be a place where Korean-American youth and teens feel welcome to explore the identity issues of adoption, race and cultural issues.*

*To teach Korean culture.*

A natural outcome of this camp will be to offer the community a resource which reflects the positive aspects of adoption and cross-cultural education.
