

WE NEED YOU FOR CAMP CHOSON 2010 and BEYOND!

Dear Camp Choson Families:

Camp Choson's very own Dr. Steve Kahn hooked me in as a volunteer a few years ago when I heard his volunteer recruitment talk at camp. "Anyone can volunteer for the American Heart Association or your local soccer club, but it takes a very special set of parents to volunteer for a Korean culture camp." We, as parents, are members of a unique group of kids, Korean adoptees. Not just anyone can volunteer at Camp Choson - This is why WE NEED YOU!!

Our camp is successful primarily because of the willingness of our families to donate their time and talents. Many of our volunteers have served on the Board and in key positions for 5+ years. The future of our camp is dependent on new parents stepping forward each year to take on these key roles. Ideally, we are looking for a 3 year commitment from key volunteers; of course, you are always welcome to serve longer than 3 years!

The Camp Choson Board meets 7-10 times a year to coordinate camp initiatives. Despite balancing family, work and other commitments we are instantly gratified by the laughter and joy of the children as they start another week of camp each summer. We are committed to seeing Camp Choson continue for years to come!

Here's where we need your time and talents this year:

Day Camp Co-Coordinator - Kandi Zethren has been doing a remarkable job with this crucial volunteer position. We are looking for someone to shadow her this summer and be ready to jump in and coordinate the day camp groups and schedule for the summer of 2011 and beyond.

Bridge Camp Coordinator - Those energetic 6th graders are looking for a volunteer to ensure they have a great first overnight experience. Do you have a current 5th grader or 6th grader? This may be the perfect position for you - minimal commitment and no cooking involved!

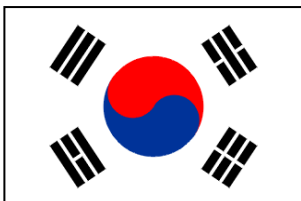

Have you always wanted to be an understudy, but have stage fright? No stages at Camp Choson, just great parents in key volunteer roles looking for someone to share in the rewards of volunteering.

Some of our other Key Volunteer Opportunities include:

Overall Camp Operations: Kitchen/Dining coordinator; Market and Snacks; Registrar; Treasurer; Medical; Insurance; Parent Volunteer Coordinator; Camp photos and memory book; Parent Workshop Coordinator; Archery Coordinator; Advertising & Public Relations, Friday clean-up coordinator.

Day Camp: Day Camp Coordinator; Day Camp Counselor Coordinator; Instructor recruiter/Coordinator, Nursery Coordinator, Art, Language and Culture, or Self Esteem Curriculum Coordinator; Nature Instructor; Cho Whey MC and Coordinator

Resident Camp: Resident Camp Coordinator; Overnight Medical support.

Can't wait to commit your time or have questions about position responsibilities? Please contact our Board President, Dee White at deewhite@baldwin-telecom.net
